DAVE MOLTER feat. ANNEMARIE PICERNO
& THE SOULVILLE HORNS

Come together!

Chart-topping indie radio artist **Dave Molter** and 2018 **Josie Awards** winner **Annemarie Picerno** join forces for the first time in "**All the Answers**," a funky, funny, swampy stomper that anyone who loves or has loved will appreciate! Written by Molter and recorded at **Albey Road Studio in Pittsburgh** with producer **Al Snyder** at the helm, "Answers" tells the story of a wandering minstrel who strays a bit too far, only to be put in his place by his jilted lover.

"This is a cautionary tale," says Molter, who admits that the tune is semi-autobiographical. "It's one of my oldest songs. I wanted a powerful female presence to share vocals, and when I heard Annemarie's duet "Money Pain" (with **Bob McGilpin**), I knew she'd be the perfect foil for my somewhat dim-witted protagonist." Dave and Annemarie have never met in person — she laid down her soulful, over-the-top vocal in Nashville. Smooth guitar by **Danny Gochnour** (Houserockers) and tight lines from Pittsburgh's premiere brass section, **The Soulvile Horns** add just the right touches, and the drumming of **Joey Waslousky** and piano by Snyder make for a cohesive whole.
